Most humbly and respectfully I beg to submit that your honour will, I hope, be pleased to see from the above that I have been wandering from Office to Offices for the last more than two years begging and praying for my pension, which, in spite of my efforts has not yet been granted to me and this very fact has compelled me to approach your honour with my most respectful and humble request.

9 DEC

I respectfully beg to submit that my post itself shows that I am the poorest paid man in the Corporation service and as such your goodself will kindly see how poor and miserable we could be and how can be pull on our days without any income in these hard days if the hard earned pension is not granted to us in time.

I respectfully beg to mention, Respected Sir, although I have been retired as a Gangman, I entered the service as a Plague Cooly in those years when plague was rampant in Bangalore and was a dreaded disease. We had to enter plague infected house, disinfect them, and even remove the plague cases to Isolation Hospital. Not only plague cases but also all sorts of infectious diseases came under our action Many of my co-workers caught one or other of the dreaded infection and were preys to them and some how by good luck

I have survived by the mercy of God. To mention another instance Poojiga who was retired along with us, died being not able to bear the hardships - without getting his pension.

I beg to submit, Sir, all these are mentioned just to show the urgency of my case and the acuteness of our sufferings owing to the delay in granting us the pension.

Therefore I most humbly and respectfully that orders may kindly be issued for the immediate grant of my pension.

For which I shall be most grateful.

I beg to remain,
Respected Sir,
ours most obediently,

SIR,

Re - Pension benefits to Disinfection Gangmen

Adverting to your letter No L.6476/C M 68-55-23 dated 1-9-1955 on the above subject. I write to state as follows

Prior to the formation of the Corporation, there were 13 Disinfection Gangmen in the Civil Station Municipal Commission and their establishment was pensionable and permanent Likewise there were 16 Disinfection Gangmen in the City area then and their establishment was temporary But this establishment was also made permanent and pensionable as per Govt Order No. L.9316-19/Ml. 10-45-181 dated 13-3-1946 But when the pension papers of some of these Gangmen (noted in the margin) who retired subsequent to the above, were sent up to the Accountant-General, Mysore, Bangalore, for sanction, they have been returned with the objection whether the services rendered prior to the above Government Order have to be treated as pensionable, as the Government Order was not clear on this point On this, a reference was made to Government for which a reply was received under No.L.14478 dated 1-3-1955 stating that the opinion of the Corporation may be obtained and forwarded in this behalf Accordingly, the matter was placed before the Corporation on 16-6-1955 when they have resolved that the period of service rendered by these Gangmen

1) Sri D David, Malarial Head Gangman.

Gangmen be treated as permanent and pensionable from the date of their appointments (vide this Office letter No.B.12-Pr.337/55-56 dated 7-7-55).

As regards the financial implications of the above proposal, I enclose herein a copy of the statement furnished by the Health Officer regarding the 5 Gangmen whose cases are pending sanc While the Gangmen of the Civil Station Municipal Commission are having the benefits of pension for their entire service, it would not be fair to restrict the benefits from the date of the Governmen Order in the case of the Gangmen of the City area

In these circumstances, I request that sanction of Government may be obtained very early to extend the benefits of pension to the Gangmen from the date of their joining duty. As the parties are pressing for the settlement of their pensionary claims, the matter may kindly be treated as urgent.
